THPO DETERMINATION / CONCURRENCE:

The Fond du Lac Tribal Historic Preservation Officer has conducted review of this undertaking and based on the information provided, has determined that in the course of this undertaking this project will/may have:

- a. ____ A Direct or Indirect **ADVERSE EFFECT ON CULTURAL PROPERTIES AND SHALL NOT PROCEED** until coordination occurs with the THPO to assess the undertaking and seek ways to avoid, minimize, or mitigate the adverse effects from this proposed undertaking.
- b. ____ **No Cultural Properties** listed on the FDL Register of Cultural Properties are present and this undertaking may proceed as specified in authorized plans.
- c. ____ **No Effect** to Cultural Properties present and this undertaking may proceed as specified in authorized plans.
- d. ____ **No Adverse Effect** to identified Cultural Properties present and this undertaking may proceed as specified in authorized plans provided the guidelines on the issued permit are adhered to.
- e. ____ **No Cultural Properties** listed on the FDL Register of Cultural Properties are present. However the likelihood of Cultural Resources being present leading to potential nomination to the register is likely. This undertaking may proceed as specified in authorized plans provided the mitigation efforts are followed in the issued permit.

Please note, should it be determined that the undertaking falls within sub-points (a), (d), or (e) the THPO may require the use of Fond du Lac Tribal Cultural Monitors and/or other mitigation effort(s). This possibility should be kept in mind when developing budgets for the undertaking.

The THPO determination made here will not apply to any future changes in this project, all subsequent changes will be subject to further review. It is the responsibility of the Tribal Department/Program/Enterprise or Company/Organization conducting the undertaking to submit a Project Update Form included in Attachment-A of this document.
