To our Fond du Lac Tribal Community:

We want to extend our sincerest apologies for any confusion caused by the premature release of information regarding the Prevention & Intervention department's plans for the summer. Regrettably, the details were made public in error.

We recognize the significance of our summer programs in providing valuable opportunities for our tribal youth, and we are fully dedicated to delivering a comprehensive plan with impactful initiatives. We will release the finalized plans at the earliest opportunity to ensure that everyone is adequately prepared for the upcoming summer.

Once again, we apologize for any inconvenience this may have caused, and we appreciate your understanding and patience as we work to rectify this situation.

Thank you for your continued support and engagement with our community efforts.
