**Section 1.03 Purpose.**

The purpose of this Ordinance is to:

- (1) Provide an orderly system for tribal control and regulation of hunting, fishing and gathering on the off-reservation lands ceded by the Band in the Treaty of 1842, 7 Stat. 591; and

**Section 1.04 Territorial Applicability.**

This Ordinance shall govern the off-reservation hunting, fishing and gathering activities of resources subject to the provisions of this Ordinance by members within the Ceded Territory.

**Section 1.05 Effective Date.**

Except as otherwise provided in specific sections, the provisions of this Ordinance shall be effective on the date adopted by the Reservation Business Committee.

**Section 1.06 Interpretation.**

The provisions of this Ordinance:

- (1) Shall be interpreted and applied as minimum requirements applicable to the exercise of off-reservation treaty rights subject to this Ordinance;
- (2) Shall be liberally construed in favor of the Band;
- (3) Shall not be deemed a limitation or repeal of any other tribal power or authority.

**Section 1.07 Severability and Non-Liability.**

If any section, provision or portion of this Ordinance is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of this Ordinance shall not be affected thereby. The Band further asserts immunity on its part and that of its agencies, employees, and/or agents from any action or damages that may occur as a result of reliance upon and conformance with this Ordinance.

## RESOLUTION #1285/18, Amended

### Amending FDL Ordinances #01/12 and #02/12 Restricting Transport of Deer and Elk Carcasses from the 1837 and 1842 Ceded Territories of Wisconsin and Michigan

The Fond du Lac Reservation Business Committee, on behalf of the Fond du Lac Band of Lake Superior Chippewa, hereby enacts the following Resolution:

**WHEREAS,** the Fond du Lac Band of Lake Superior Chippewa are a sovereign people, who occupy the Fond du Lac Reservation and retain their aboriginal rights of self-government and self-determination pursuant to the Treaty of LaPointe of September 30, 1854, 10 Stat. 1109; the Indian Reorganization Act of 1934, 25 U.S.C. § 461 et seq.; the common law of the United States; and as recognized by the United Nations Declaration on the Rights of Indigenous Peoples of September 17, 2007; and

**WHEREAS,** it is the sovereign obligation of the Fond du Lac Reservation Business Committee, as the duly-constituted governing body of the Fond du Lac Band, to exercise the responsibilities of self-government and management over the Band's affairs; and

**WHEREAS,** Chronic Wasting Disease is a threat to the health of deer, elk and moose herds and Fond du Lac's treaty reserved wildlife resources.

**WHEREAS,** Chronic Wasting Disease is not yet established in wild deer in the 1854 or 1837 Ceded Territories in Minnesota, but has been found in wild and captive deer in the 1837 and 1842 Ceded Territories in Wisconsin and in the 1836 Ceded Territory of Michigan.

**WHEREAS,** Fond du Lac members hunting in the 1837 and 1842 Ceded Territories of Wisconsin or Michigan might transport infected carcasses back to Minnesota.

**WHEREAS,** the Reservation Business Committee has determined it is in the best interests of the Band to restrict the movement of deer and elk carcasses from their Ceded Territories in Wisconsin and Michigan back to Minnesota or elsewhere by amending the Wisconsin 1837 and 1842 Ceded Territory Conservation Code, FDL Ord. #01/12, and the Michigan 1842 Ceded Territory Conservation Code, FDL Ord. #02/12, as follows:

## CHAPTER 6 DEER HARVESTING REGULATIONS

### Section 6.13 Transportation

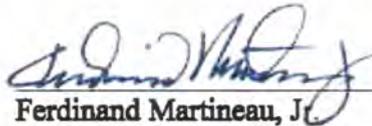

- (1) No member shall transport any deer in or on any motor driven vehicle prior to registration unless the deer is carried in such manner that the tag attached to the deer cannot be handled or manipulated by any occupant of the vehicle.
- (2) No person shall transport a deer or elk carcass or parts of a carcass across state lines except as follows:
  - (a) Meat that is boned out or cut and wrapped either commercially or privately.
  - (b) Quarters or other portions of meat with no part of the head or spinal column.
  - (c) Hides and teeth.
  - (d) Antlers or skulls provided they are completely cleaned of any brain tissue.
  - (e) Finished taxidermy mounts.

NOW THEREFORE BE IT RESOLVED, that the Fond du Lac Reservation Business Committee hereby adopts the foregoing amendments to the Wisconsin 1837 and 1842 Ceded Territory Conservation Code, FDL Ord. #01/12 and the Michigan 1842 Ceded Territory Conservation Code, FDL Ord. #02/12, effective as of the date of original adoption on October 9, 2018, and hereby directs the amendments be incorporated into said Codes.
